

Kapitel 8 - Eine wunderbare Welt!

By the end of this module I will have learnt the German to enable me to:

Describe international festivals and events	
Discuss ways to be involved in a sporting event	
Debate advantages/disadvantages of global sporting events	
Explain how social problems affect young people	
Understand texts about homelessness and poverty	
Explain what a school does to be environmentally friendly	
Explain what a country does to be environmentally friendly	
Understand texts about local and national campaigns	

I will have also developed my language/grammatical skills in the following areas:

	☺	☹	☹
Forming questions			
Using prepositions with the accusative			
Coping with numbers and dates			
Developing an awareness of adjectival nouns			
Using the comparative and superlative			
Using subordinate clauses			
Developing an awareness of the passive			

Students will finish Module 8 from this point and then start revision.
