Life after death: what do you think?

What

Analyse the evidence for/against life after death and reflect on our point of view

Why

In order to assess how believable beliefs in the afterlife are

The key questions...

- Do we have a soul?
- If we do, how much does it weigh?
- Where is it stored in the body?
- Is our soul the same as our consciousness?
- Is our soul part of the wider universe?
- Is the soul always changing or is it set in stone?

- Can the soul simply be an illusion?

Through the wormhole with Morgan Freeman...

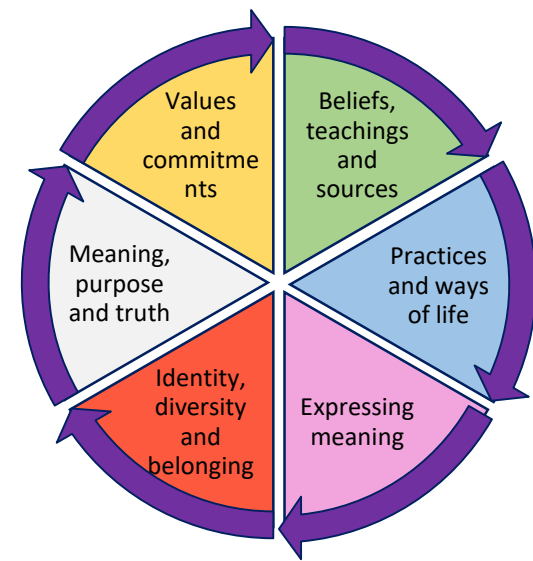

We are going to watch a documentary which will present arguments and evidence for and against the existence of life after death.
